AMBULANCE

- We now have 14 Emergency Treatment Rooms instead of 8 so your wait in the lobby is shorter.
- Every ER room is equipped with state-of-the-art monitoring equipment.
- ER Lobby and Registration are now for emergency patients only.
- We can now accommodate the emergency medical needs of the people in our community.

"We are here 24/7. We have a nursing and physician team that is expertly trained in emergency medicine. We have state-of-the-art equipment. We are convenient, and we are prepared to meet the urgent and emergency medical needs of our community. Should you need us, we are prepared!"

—Mary Edmonds, ER Nurse Manager
